Conference Session/Activity Web Triage

Date 3-8, 01 Time 9 to 5 Total Hours 8

Presenter(s) Thayne Gail Junior - Metz

Subject(s) covered or explored WWW

Summary/Notes:

- * Have at least one blank word processing page open while you are searching so you can copy/paste information from web sites.
- * Locating pictures - image:map + peru * can use image: "snow leopard" quotes narrow search down. ~~image:~~
- * Best image search engines - Hotbot & AltaVista
- * Teaching ideas - to print exact page from screen -
- * Cropping pictures - use small arrows at bottom Rt.
- * signature on e-mail

Ideas I would like to put to use:

- * show students some of these searching techniques. Have shared them one to one - need to figure out how to teach a whole class.
- * shared handouts with staff
- * students print too much ~~so~~ NEED to know how to copy & paste.

Conference Session/Activity Evaluating Web Sites

Date 3/9 Time 11 to 12:30 Total Hours 1 1/2 hrs.

Presenter(s) Gail Junion-Metz

Subject(s) covered or explored WWW - evaluate sites

Summary/Notes:

- * Fake web site awards - sold / copy / paste from a site to put on your own.
- * KIDS CLICK is really good for students (have it book marked)
- * Evaluating web site content - handouts - age appropriate, 5-6 questions focus
- * School library journal Reviews websites + other journals.

Ideas I would like to put to use:

- * Really need to do an "evaluation" web page lesson.
- * Find good & bad examples

Conference Session/Activity Collaboration: The best way to...

Date 3-9 Time 2 to 3:30 Total Hours 1 1/2

Presenter(s) Jan Fortune

Subject(s) covered or explored Library standards / Collaboration

Summary/Notes:

* Collaboration is the best way to implement new Library/Information Literacy Standards.

* video - showed an active, full, wonderful library. Parent volunteers, 3 assistants + a full-time librarian.

* times have changed - projects - information gathering

Ideas I would like to put to use:

There are 20+ of them (teachers) and only one of me (part-time). Not feasible. Glad we have standards to strive toward.

Conference Session/Activity Making Reading Incentive Programs Work...

Date 3-10 Time 11 to 12:30 Total Hours 1 1/2

Presenter(s) Sue Sheriff

Subject(s) covered or explored Public & School Libraries - Reading

Summary/Notes:

Harborview				
Library				

"Mural" bookmarks
* drawing * chop-up
* hand out one a week
* parents like to "collect"

* Reading Program - Battle of the Books for schools -

Ideas I would like to put to use:

* Reading logs - ask around to see if teachers already do this. Like Battle of the Books charts - but more personal. Should include annotation. (do myself!)

* Coach BOB teams even more.

Conference Session/Activity Retelling Folktales

Date 3-10 Time 9 to 10:30 Total Hours 1 1/2

Presenter(s) Judy Sierra

Subject(s) covered or explored How folktales get into books

Summary/Notes:

- * Research files for just a sentence or two and expand on that.
- * Verbal contact / personal contact with people who have heard or can tell stories.
- * many versions. Retell combining or using most original or oldest.

Ideas I would like to put to use:

Fascinating! Keep in mind of ever hunting / reading + come across a little bit of a tale.

Conference Session/Activity Battle of the Books Work session

Date 2/10 Time 3 to 6 Total Hours 3

Presenter(s) Teresa Paulsen

Subject(s) covered or explored BOB Program - next yr's lists & program changes

Summary/Notes:

- * Lists were pretty much already made up. Had to choose between a few to come up with 15. A few alternates.
- * Have to use alternates - if out of print, no available in paperback, controversy -
- * Too bad not many had read books on "pre list."

Ideas I would like to put to use:

- * Great to meet all these people.
- * Will be the district co-ordinator with one DKG person for next year.
- * Distribute materials ON TIME at district level.
- * Won't be able to deal with BOB at all if 1/2 time in 2 schools - we shall see.
