President's Report,

Dear Colleagues,

Things have been relatively quite since the last teleconference.

- Sent letters to the Governor's office in support of SLAM and Public Library Construction grants in the Governor's 2012 capital budget. \$20 million for SLAM was included, nothing for the construction grants. So it looks we will be working to get that included in the legislature's capital budget again this year.
- Worked on migrating content from AkLA website into a test installation of WordPress.
- Talked with librarians in Valdez and Ketchikan about location of 2013 conference.
- Performed administrative duties, including signing ILC grant forms, etc.

Thank you,

-Mike Robinson
